Agenda item 19

IMPLEMENTATION OF THE DECLARATION ON THE GRANTING OF INDEPENDENCE TO COLONIAL COUNTRIES AND PEOPLES

Algeria, Antigua and Barbuda, Bahamas, Barbados, Belize, Botswana, Cape Verde, Dominica, Fiji, Ghana, Grenada, Guyana, Jamaica, Madagascar, Mauritius, Micronesia (Federated States of), Namibia, Papua New Guinea, Saint Kitts and Nevis, Saint Lucia, Sao Tome and Principle, Solomon Islands, Uganda, Ukraine, United Republic of Tanzania, Vanuatu and Venezuela: draft resolution

Cooperation and coordination of specialized agencies and the international institutions associated with the United Nations in their assistance to Non-Self-Governing Territories

The General Assembly,

Aware that in addition to general problems facing developing countries, the remaining Non-Self-Governing Territories, many of which are small island Territories, also suffer handicaps arising from the interplay of such factors as their size, remoteness, geographical dispersion, vulnerability to natural disasters, the fragility of their ecosystems, constraints in transport and communications, great distances from market centres, a highly limited internal market, lack of natural resources, weak indigenous technological capacity, the acute problem of obtaining fresh water supplies, heavy dependence on imports and a small number of commodities, depletion of non-renewable resources, migration, particularly of personnel with high-level skills, shortage of administrative personnel and heavy financial burdens,

Recalling resolution 24 (XI) of the Programme of Assistance to Small Island Developing Countries adopted by the Eleventh Ministerial Session of the Caribbean Development and Cooperation Committee on 22 November 1988, by which it directed the secretariat of that Committee to continue to examine the

access of the non-independent Caribbean countries to programmes and activities of the United Nations with the aim of identifying areas within the United Nations system which would provide technical and other assistance to these countries in the furtherance of their development process, and other resolutions of the Caribbean Development and Cooperation Committee,

Taking note of the report of the Meeting of Governmental Experts of Island Developing Countries and Donor Countries and Organizations which was held at United Nations Headquarters from 25 to 29 June 1990, 1/

Mindful of the growing importance that the General Assembly attaches to the contributions of specialized agencies and the international institutions to the economic and social development of Non-Self-Governing Territories,

Welcoming the role being played by the United Nations Development Programme and the specialized agencies in that regard,

Recalling its resolution 44/211 of 22 December 1989 entitled "Comprehensive triennial policy review of operational activities for development of the United Nations system",

Taking into account the suggestions made by Member States during the general debate on the relevant item,

1. Invites the specialized agencies and the international institutions associated with the United Nations to increase their participation in the debates of the General Assembly on the remaining Non-Self-Governing Territories, with a view to apprising the Assembly of their development programmes in those Territories and thereby facilitating more informed comments on their work;

2. Requests the Secretary-General to take the necessary measures for promoting and expanding cooperation and coordination among the specialized agencies and the international institutions associated with the United Nations in their assistance to Non-Self-Governing Territories and to report to the General Assembly at its forty-seventh session on the implementation of the present resolution;

3. Decides to keep this question under review.
